

# **To Print The Last Week of The Life of Christ in an 8 Page Book Format.**

**Note: Use these directions to print from rear sheet feeder or rear tray:**

- 1. Only print one page at a time, so you can orient the page properly.**
- 2. Make sure you are setup to print in Landscape Mode!**
- 3. For a 8 page printout:**
  - a. Print page 1**
  - b. Pull paper straight-out towards you and flip page over on its side, then rotate it around and insert back into paper feed tray, so page 1 is facing down and away from you –(You will not see page 1 print)**
  - c. Print page 2**
  - d. Pull paper straight-out towards you and insert into paper rear feed tray without rotating or flipping the paper, so page 2 is facing down and toward you–(You can see page 1 print)**
  - e. Print page 7**
  - f. Pull paper straight-out towards you and flip page over on it's side, then rotate it around and insert back into paper feed tray, so page 1 is facing up and toward you. –(You can see page 1 print)**
  - g. Print page 8 and fold in half.**
- 4. Now you will print a new sheet for the rest of the 8 pages:**
  - a. Print page 3**
  - b. Pull paper straight-out towards you and flip page over on its side, then rotate it around and insert back into paper feed tray, so page 3 is facing down and away from you**
  - c. Print page 4**
  - d. Pull paper straight-out towards you and insert into paper rear feed tray without rotating or flipping the paper, so page 4 is facing down and toward you**
  - e. Print page 5**
  - f. Pull paper straight-out towards you and flip page over on its side, then rotate it around and insert back into paper feed tray, so page 3 is facing up and toward you.**
  - g. Print page 6**
- 5. Fold 2nd sheet in half now and insert in first sheet for 8 page book format!**

**Note use these directions to print from cassette tray feed:**

- 1. Only print one page at a time, so you can orient the page properly.**
